Dear Percussion Program Participants,

We would like to share a quick note to welcome you in advance to the 2022 Illinois Summer Youth Music Pre-College Percussion Program held at The University of Illinois Urbana-Champaign.

The program includes daily technique classes on timpani, snare drum, keyboard percussion, drum set and world percussion as well as percussion ensemble, world percussion ensemble, and steel band rehearsals.

Please bring all necessary sticks and mallets and a practice pad, each marked with some form of personal identification. You will NOT need to bring a snare drum or a music stand.

We will have general placement auditions on the first day of the program that will give us an idea of your current level and how we can help you improve over the week. Please be prepared to play, to the best of your ability, the four enclosed excerpts. Sight-reading will also be included in the placement audition.

If you have any questions about the program, please do not hesitate to e-mail us. We look forward to seeing you this summer!

Sincerely,

Ricardo Flores, Co-Program Coordinator
Senior Percussion Program
